Letters To Editor

Why couldn't the citizens of the town of Haliburton get out and clean the dead heads out of the lake some Sunday afternoon. It was tried out to get a group awhile ago for this same cause. But probably everybody was too busy thinking about themselves. And not caring for the tidyness of the lake.

Some time somebody is going to be out in a canoe and its going to hit a dead head and sink. And then maybe you'll think about these things. In the summer planes coold come in here and land on our lake But now they are scared to because they are liable to hit one. So let's try and clean them out some Sunday.

Yours truly,
A Sportsman.

Dorcas Meeting Of St. George's W A

A Dorcas meeting of St. George's W.A. was held at the home of Mrs. Roy Howe on Tuesday, May 13th at 8 p.m.

Twenty one members answered the Roll Call and we were pleased to have Miss Geraldine Howe as a visitor.

The meeting opened with the member's prayer and the Lord's Prayer repeated in unison.

The Extra Cent a Day collection was taken up and pledge envelopes were handed in.

The sum of $15.00 was voted to the Dorcas Secretary, $7.49 to be used for the parcel for Old Sun School. The remainder to be used for Dorcas work.

A hearty vote of thanks was tendered to Mrs. Marjorie Hodgson for her kindness in paying for the Community Hall on the occasion of the Rummage Sale.

A very interesting article written by Mrs. Sarah Simms of Fort McPherson and taken from the Artic News was read by Miss Clarke and it was the wish of the meeting that we send a Donation of $15.00 to the Fellowship of he Arctic.

Another interesting chapter of the Study Book entitled "Medical Work in South America" was presented by Rev. Cathcart.

The next meeting, May 27th will be held in the Rectory at 8 p.m.

Rev. Cathcart closed the meeting with prayer especially remembering the sick of the parish.

New Curling Rink For Minden

At a meeting held in Minden on Monday evening of this week by the Curling Club it was decided to construct a curling rink.

We understand that a site has already been selected and work on the ne wproject will start shortly.

Minden curlers are to be commended in their efforts in this connection as we feel sure that this new enterprise will be of great benefit to the town.

Firemen Drill In Dysart

As you are all well aware the Municipality of Dysart have a new fire truck. This new truck is one that all can be proud of. Fire Chief Tom Chambers has been very busy lately training his crew to operate this new machine. The chief wants at least four members of the eight man crew to know how at a minutes notices to start and operate the new fire truck. In an effort o get things down pat fire drills and instructions have been given the past two weeks. Fire Chief Chambers Assistant, Jack Hunter, Don Iles and Cliff Elstone will be in charge of the operation of the fire truck. These four men are being trained to know the fire truck inside out and to know just what to do if anything goes wrong. Among these four men will be another four who will look after the hose, extinguishers and other assessories that go along with fire fighting. These men are also being drilled on the art of fighting a fire. Many of the past fires should not have been out of control and houses that burned down could have been saved if the new fire truck had been here at that time. Now with the new truck here will be no fooling around trying to get a motor to work. Now if the fire alarm is sounded the fire truck will be on the scene and th traineed men will know just what to do to put out the blaze. The five hundred gallons in the truck will run for a period of 23 minutes and by this time the other hose will be hooked to a river or lake or a well ready to switch over when the water is gone out of the tank. In some cases there will be enough in the tank to put out the average small fire.

Mrs. Pearson Honoured

The home of Mr and Mrs Vivian Silvers was the scene of a delightful little party on Saturday evening last when Mrs. Silvers entertained in honour of the birthday of her mother, Mrs. Elizabeth Pearson. Some twelve friends and neighbours were present and spent a most enjoyable evening.

Fred May At Minden Sunday Night

Fred May who was here taking part in the evangelistic meetings a year ago is returning to Minden this Sunday night. Yes Fred May is having an evangelistic party this Sunday, May 25th at 8 p.m. at the Beaver Theatre in Minden. You won't want to miss this and its your chance to come out and see and hear tthe Theremin, a rare instrument played without the touch of hands. Along with Mr. May will be a ladies' trio, trumpet soloist and let's not forget that everyone is welcome. Mr. Fred May has been on the radio and you won't want to miss this. Its Sunday night, May 25th at the Beaver Theatre in Minden.

Two Moose Seen Near Haliburton

When returning to his home fro mHaliburton one day last week Mr. Walter Besse was surprised to see two moose. They were standing on the highway near the home of Armando Salvatori and did not seem to be frightened in the least of the car or its driver, taking their own time in moving off the highway and into the bush.

We have learned that a resident of Eagle Lake noticed moose tracks in his yard the other morning.

Minden Loses Pioneer Resident

With the passing of William Walter Patrick Prentice on May 15th, Minden loses one of its most beloved and respected residents.

Born of Scottish parents at Ancaster Ont., Mr Prentice moved with his father and mother, John and Christina Prentice, who were among the pioneers of Haliburton County.

Spending most of his life between the railroad, farming and the lumber business, Mr. Prentice lived for some years in Michigan. With his bride, Melvina Rose Gray of Bessemer, Milligan, he returned to Hailburton County and took up farming in Snowdon Township and later moved to Anson Township.

For some years he owned and operated a garage in Minden and upon his retirement moved to Stanhope Township on Kushog Lake. Mr. Prentice had a great love and appreciation for all outdoor life, hunting and fishing being amongst his greatest interests. He was a member of the United Church and had Masonic affiliations with the Arcadia Lodge of Minden.

Surviving him are his widow, two sons, Morgan and Duncan and one daughter, Maron (Mrs. James Smith), four grandsons and a great granddaughter.

Funeral Service was held at the Minden United Church, with interment at Minden Cemetery.

Mrs. W. W. Prentice and family wish to express their thanks to relatives and friends for their many acts of kindness, expressions of symphathy and beautiful floral tributes received during their recent bereavement.

Minden Council Meeting

Anson, Hindon and Minden Council will meet on Thursday, May 29, 1952 at 9:30 a.m.

Minden Band Makes Debut Friday Night

The Minden Band will make its debut this coming Friday night at the Minden Recreation Centre.

This the first band for Minden was organized about five months ago by Slim Brandon who owns his own bakery in Minden. Slim is well known to all musicians in this part of the country and hails from Cannington where he had a boys band there.

As we said before about five months ago Slim went to work to give Minden a band. He called in a handful of older musicians added fifteen new beginners and the boys started to practice. They have been practicing at the town hall and some nights in Slims house. There was a mournful sound came out the boys have reached the point of the horns at the start but now where they can play some marches and other numbers. Attendance at the band practices according to the band director have been most encouraging and the young players along with the older one are very interested in playing.

By attending the band concert on Friday night at the Recreation Centre you will see just whatt's been done in the line of band music in Minden. It will be a band concert and variety show and it gets undr way at at 8:15 p.m. All proceeds are in aid of the Minden Band. There will be a dance after and the admission is only Adults 50c and Children 25c. This is a night for all music lovers and one that you can't afford to miss. Let's pack the Recreation Centre and show Slim and the rest of the boys in the band that we appreciate what they are doing to have a band for Minden. Mr. Slim Brandon is to be congratulated on his fine work.

Card Champions Awarded Prizes

With a choice of Euchre, Canasta, Cribbage or Bridge, a good crowd turned out to enjoy the final card party of the year arranged by the Girl's Guild of St. Paul's Anglican Church on Monday, May 12th.

Aggregate prizes were awarded to those who attended through the year. The winners were Mrs. Fred Wright, Mrs. Larry Longfield, Mrs. Lorne Coburn, Mrs. B. McElwaine.

The winners for the evening were Allan Coneybeare, Mrs. Al Barron, Mrs. Lorne Coburn and Mr. T. Brignall.

At an L-shaped, damask covered table, with a decor of springtime flowers in yellow and white with matching tapers, the most delectable refreshments were enjoyed.

The group responsible for the evening included: Mrs. Bill Coneybeare, Mrs. Alton Duncan, Mrs. Deak Jackson, Mrs. Bert Hartle.

HALIBURTON

Among those who attended the Hicks — McCrea wedding at Elk Lake on Saturday last were the following Mr. and Mrs Russell Johnston of Haliburton, Mrs. R. E. Johnston, Wilberforce, Mrs. Fred Watson of Tory Hill and Miss Barbara Watson of Toronto.

Miss Joyce Williams spent the week end at her home in Toronto.

Mrs. Elwood Austen spent the week end with her sister and brother in law in Toronto.

Mrs. Maud Hall of the High School Staff opened the Bake and Rummage Sale of the WMS of the United Church at the Community Hall on Saturday last.

Mr. Morris Richardson, who is well known locally has been appointed to the Staff of Niagara Falls High School. Mr. Richardson was popular Canada Dry Salesman in Haliburton last summer.

Mrs. Talbot Johnson spent the week end in Toronto.

Miss Shirley Cooper and Miss Mavis Sisson of West Guilford went to Ottawa on Sunday last to attend the Roary full week in he capital city.

COMING!

J. Hirschberg, Optometrist and Optician of Toronto will be at the Highlander Hotel Parlor, Haliburton on Tuesday, May 27th.

Do you suffer from headaches? Are your eyes tired and aching after reading and sewing? Do you find difficulty in seeing things clearly? If so you should have your eyes examined so as to correct these defects. Have fitted glasses for over 45 years in locality of Haliburton.

Haliburton At A Glance

The Municipality of Dysart hope to start soon on paving the piece of road down by the post office which was recently torn up. They are waiting now for the gravel and sand to pack down. A job that has been needed for some time and the Council are to be congratulated on this fine piece of road work.

Building still continues to boom in Haliburton with two new foundations being dug this past week. Reeve Harold Black has started to build his new home across from Frank Osbornes store. Mr. Percy Lymburner has purchased the old creamery lot property and started his new home there last week. More houses go up but we still have a very bad housing shortage here in the village.

Lieut. Brown of the local Salvation Army Corps tells us this week that the donations to the Red Shield Appeal up to this time far exceed that of last year. If you haven't given to the army do so today. Here's a good reason why you should give. Probably half a million unmarried mothers have been helped since the Salvation Army rescue work first commenced by the compassionate efforts of a baker's wife who, back in 1884 threw open her own home for their reception. The army now operates 31 maternity homes and hospitals in Canada alone. Give now to the Salvation Army Red Shield Appeal.

Latest reports tell us that the Haliburton I.O.L. and L.O.B.A will parade in Bobcaygeon this year. The Haliburton Lodge will be led off this year by the Haliburton Citizens Band who are now practicing for the occasion.

It was this week that we learned that Mr. Doug Waterworth, accountant at the Bank of Montreal here will be ransferred to Napanee this week. Doug made many friends in his five year stay here and will be missed by all.

Mr. Norm Rowlinson who was at Kirkland Lake working as a reporter has now been moved to the Rouyn Bureau.

Just a reminder to those who haven't purchased tickets on the new Buick being offered by the Haliburton Rotary Club. Last report tells us that there are still a few tickets left. So if you want a chance to get that new car get in touch with any member of the Rotary Club and buy your ticket now. Tickets are $10.00 each and may be secured from any member of the Rotary Club. The draw is to take place immediately after all the 150 tickets are sold. After this comes the new 1952 Chevrolet Deluxe model which will be drawn for at the Annual Haliburton Rotary Carnival to be held in August.

Mr. Morris Richardson is due in town this week to take on his summer duties as driver for the Canada Dry Co.

We're only sixteen miles away from Minden where a band concert and variety show will be staged this coming Friday night at the Minden Recreation Centre. Here's a show that you won't want to miss. Plan now to spend this Friday night with Slim Brandon and his Minden Band.

Five jet planes passed over Haliburton on Saturday afternoon.

New Dock For Minden

Mr. Frank Welch, President of the Liberal Association informed the Echo that the Department of Public Works will build a new dock in Minden just north of the bridge.

It will be 200 feet in length, large enough to accommodate a large number of pleasure craft.

This is something that Minden has needed for a long time and we feel sure that the summer visitors who travel to town by boat will appreciate this added convenience.

Centre Elects New Officers

At a meeting of the Minden Recreational Centre held last week the following were appointed as officers for the season of 1952-53.
Chairman, Reeve Reg. Booth.
Treasurer, Orval Struthers.
Secretary, Mark Vasey.

The financial statement of the centre will be found elsewhere in this paper.

Here And There In Sports

The local golfers await the grand opening of the 1952 golf season at the Haliburton Highlands golf links The course should soon be open .. The younger fellows in Haliburton are busy these nights up at the ball park getting the feel of the hardball. It looks as though we have some good baseball talent coming along .... Swingsand slides will soon be put up at the Haliburton Community Hall and Park field. These amusement will be put up by the Dysart Recreation Committee ..... The Haliburton Huskies are still waiting on their jackets that haven't arrived as yet. The Huskies are hoping to hold a banquet to present them when they arrive .... After reading the leading Toronto papers we see where there is a good chance of the Cleveland Barons entering the National Hockey League. This in our opinion is a good idea to another team and more new faces. This will make it a seven team loop and will give more players a chance to play hockey. The NHL could stand to use another team and then they would be away. You can't expect too much from the Barons in their first season ..... Badminton and ping pong are still on at the Haliburton Community Aren .. Some of the ball players are still talking softball but it looks as if Haliburton will have a hardball club this season ..... Recreation Director Herb Baker is trying to arrange a softball game between a team in Lindsay and an all star team from Haliburton. More on this at a later date .... Talk of a new arena for Haliburton has died down but we are still in hopes of having a new ice palace before long .... The Toronto Maple Leaf Baseball club have dropped back into the second division but we hope they will hit the top before the end of the season. Toronto is a great ball city and the team have been drawing good crowds and we hope that they can continue to win a few games.. We havn't heard of any of the ball clubs in the Haliburton County softball league having a practice yet. Oh well the weather is a little cold anyway .... The children of Haliburton are looking forward to the annual swimming classes that will soon be here. They are being sponsored by the Haliburton Rotary Club.

Women Teachers Federation Elect New Prexy

The annual Spring Meeting of the Haliburton County Women Teachers' Federation was held Saturday, May 10, at Pine Springs School situated just south of Dorset. Mrs. Collins, teacher at Pine Springs, along with Mr. Thompson of Dorset and Mrs. Brown of Carnarvon acted as hostesses to the assembled teachers among whom were several from Huntsville.

Mrs. Margaret Sisson of Eagle Lake, President of the local Federation presided at the meeting and welcomed the teachers and distinguished guests.

The new officers for the following season will be: President, Mrs. Brown of Lochlin; Vice President, Mrs. Fielding of Maple Lake; Secretary, Miss L. Robertson of West Guilford; Treasurer, Miss Burke of Maple Lake.

Mrs. Brown, President elect, was chosen as delegate to attend the Ontario Federation Conference in Toronto in August.

Mrs. Harold Morgan, the former Miss Edna Hadley of Minden, was the recipient of a wedding gift from the teachers.

Six pupils from Mrs. Brown's Lochlin School delighted the assembled teachers with their fine singing of a group of songs.

Mrs. Sisson explained the absence because of illness of Miss Jean Beach of Ottawa, a member of the Teacher's Superannuation Board who was to have addressed the teachers on that subject, and called upon Miss MacDonald, a member of the Board of Governors of the Teachers Federation.

Miss MacDonald explained thee workings and organization of Federation and called upon hte teachers for questions on policy and superannuation. Several teachers took advantage of this opportunity to solve knotty problems.

Miss Doughty, a guest from Peterborough, then addressed the gathering on the Teachers Sick Benefit Fund.

A delightful supper was served by the hostesses and their helpers at the close of the regular business session.

As a final pleasant interlude the teachers were conducted by Mrs. Thompson of Dorset on a tour of the nearby Ontario Forestry School.

WONDERFUL PEOPLE

There never was a time in Canada when work was so easy to get as it is today.

There never was a time when working conditions were so good as they are today.

There never was a time when an hour's work would buy so much of this world's goods as it will today.

Yet there never was a time when there was so much complaint about conditions as there is today.

Truly we are not a people to be contented with our lot.

The Quiet Hour

THE BEAUTIFUL GATE

R. L. Dean

Fresh from the blessing of God's outspring, and the salvation of three thousand souls through their ministry on the day of Pentecost, Peter and John were on their way to the temple at the ninth hour for prayer. As they approached the gate of the temple called Beautiful, they came upon a situation that would tax their faith and ministry to the utmost. Here before them was a man born a cripple, begging alms of all who would enter into the temple. Day after day this unfortunate man was carried to sit outside this gate called Beautiful — no doubt sympathetic friends had, for years, washed and dressed him, fed him and carried him to this spot whert he could beg a few pennies of those who went into the temple.

Now he is a man of forty years of age and still outside of everything worthwhile — still outside the gate. It was a beautiful gate but he was on the wrong side of it. A gate is something through which to pass to something beyond — the doorway or entrance to the source of supply, the satisfaction and fulfillment of your hopes and aspirations. How clearly we see the state of unregenerate humanity typified in the condition of this poor sufferer.

By nature we are outside the Beautiful gate — far off — without God and without hope — strangers from the covenant of promise. It doesn't matter ho wpeople may cleanse us by reform methods or how determined we may be to cleanse ourselves, or be dressed up in culture and refinement, we are still outside the beautiful gate. We may be borne along on our own resolution or will power of others to the very portal and still nt enter. For Jesus has said "No man cometh unto the Father but by me. "I am the door, by me if any man enter in he shall be saved and shall go in and out and find pasture." And again, "I am the way, the truth and the life."

Do you not see it, my dear friends? The way to God's store house of supply to meet your need, whatever it may be, is through Jesus, The Beautiful Gate. It takes Jesus to bring you in, and how ready He is to do so!

Now let us watch as the crippled man at the gate speaks to Peter and John and asks for a penny without even looking up; but Peter speaks, and in answer to his request says "Look on us." Peter and John had a testimony — God had done great things for them. They had been just poor fishermen, but God had saved them and filled them wiht His Holy Spirit; and now through their ministry many mighty miracles of healing were being

The poor crippled man looks up in surprise ,and Peter says "Silver and gold have I none, but such as I have give I thee; in the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand and lifted him up; and immediately his feet and ankle bones received strength. And he leaping up stood and walked, and entered with them into the temple, walking and leaping, and praising God."

Do you blame him, friends? He was able to do something that he had never been able to do before — walk and run — saved and healed by the mighty power of God through faith in Christ and His mighty name, the name of Jesus. For Jesus said, "Whatsoever ye ask in my name, I will do it." And again "If ye ask anything in my name it shall be done." And also when the Lord commissioned his disciples, He said, "In my name ye shall lay hands upon the sick and they shall recover." What positive promises these are:

When all the people saw this man walking and praising God, they knew who it was, and marvelled at the wonderful healing — truly it was a time of rejoicing for he was now able to enter the Beautiful gate. Friend, may I ask you a very important question — on what side of the Beautiful gate are you? Remember Jesus said "I am the door, by me if any man enter in he shall be saved." Have you entered the door of God's salvation? Have you found the way of Life? Jesus waits to welcome you thru the Beautiful gate.

HALIBURTON

Mr. Harold Proctor of Eagle Lake once again held the forum at the Haliburton Rotary meeting held in the Legion Hall on Thursday last. This was the fourth talk given by Mr. Proctor on topics pertaining to aviation. On this address Mr. Proctor concentrated his data to the care that was taken in he inspection of commercial aircraft. An interesting fact mentioned by the speaker was that foreign standards and operations were not as good and rigid to regulations as those practiced by Canadian and British aircraft companies.

As to the actual inspection of planes, Mr. Proctor said, that each aircraft on the Trans-Canada route was inspected every 24 hours by two engineer inspectors. Each plane was also overhauled every year and taken apart for inspection and the replacement of necessary parts. Each screw, pin, ond cable was examined.

The speaker was thanked by Mr. Alvin Kaye of Donald.

MINDEN

Minden club met as usual this Monday at Ellencliffe Lodge with a good attendance and a number of visitors including three from the Haliburton Club.

Our speaker on the evening was Dr. Edith C. Newell who has been in Minden now for about a year and who spoke on "pre school dental care".

Our speaker pointed out that our teeth formation commences very early in pre natal life and by birth the first or milk teeth are all formed and beginnings have been made on our permanent teeth. These first teeth erupt from time to time as the child's mouth develops and he care of them is important as they should remain in good condition until the coming of the permanent teeth gradually forces them out.

In care, the doctor stressed the need of brushing to commence as soon as four to six teeth have erupted . She also spoke a good word in regard to advancement in the County when next fall it is expected that a school nurse will be a full time position She also stressed the need of greater dental service and throughout the hint that the club should endeavour to have a dentist established at Minden.

—Thos. Brignall.

Minden Red Cross

The regular meeting of the Minden Red Cross was held at the home of the President Mr. A. Stouffer on the evening of May 16th with the following members of the executive present.

Mr. A. Stouffer, Ken Curry, Thos Brignall, O. Struther, Mrs. Dick Kirkwood, Mrs Angus Coulter, Mrs Wm. Ritchie, Miss S. Howard.

The minutes of the April meeting were read and approved.

No report has been submitted from Mr. McInerney as yet advising which two pupils are to be sponsored to attend the Red Cross Instruction camp to be held at Kilcoo Camp this year. Mr. Brignall reported the final campaign colection for the Minden area as $949.10 which is $149.10 over our quota. The executive wish to thank all those responsible for putting our campaign "over the top".

The bed donated by Mr. G. Knowles to the Red Cross has been given to Mr. Peacock of Gelert who lost his home and furnishings by fire last winter.

The Workroom Committee report that quota goods are now ready for shipping to headquarters but there is still work to be done on this season's quota .

The executive voted assent to the purchase of two grey wool blankets to be used with the stretcher for emergency cases also two camel all wool blankets for the loan cupboard supply.

It has been drawn to our attention that several items from the loan cupboard have been out over a considerable length of time with no report as to how long they may yet be in use.

Anyone having in their possession artilles on loan from the Red Cross loan cupboard and who are no longer in real need of same, are requested to please have them returned. This will enable others, who need them, to have the benefit of their use. You are very welcome to use these items but please return them as soon as possible. There being no further urgent business the meeting was adjourned until June 20th when we will meet at the home of Mrs. Dick Kirkwood.

The executive wish to thank Mr and Mrs A. Stouffer for their hospitality.

During the war of 1812, every able-bodied man from 16 to 60 in the Niagara Peninsula was pressed into serving in the Militia. Farmers from all over set aside their hoes and took up muskets in order to defend their country.

It is with this spirit . . . a desire to serve their country . . . that descendants of these same farmers continue to cultivate vines unsurpassed in clarity, flavour and bouquet, the products of which have delighted generations of connoisseurs.

The Answered Letter

The following recent letter in Salvation Army files tells its own tragic story:

To The Salvation Army,
Dear Sirs:

"Would you please advise me what I could do on the following matter.

"I am 18 years old and am in the family way. I am in my sixth month and am nearly going crazy worrying what to do. So I consulted my girl friend who is over 20 and she told me the best thing to do was to get in contact with you people and ask for help and advice.

"I was working up till a month ago; but had to quit on account of my condition. I had a quarrel with my parents about a month or so ago and they turned me out. So I am left homeless and helpless. No one to turn to. I now have a room, but at present am without money. My board is paid till Friday, but after that I don't know where I'll go.

"I wrote yesterday to the Unemployment Insurance to see if I could draw any insurance. If I do it will help. I am also getting bills which I owe and they want prompt payment. I believe I have told you as much as I could. So would you please try your best to help me. It will be greatly appreciated."

The letter was answered; the girl's plight was helped. She had her child in a Salvation Army Unmarried Mother's Home, and through the spiritual counsel of the staff found at last the happiness she had blundered in seeking.

There's still time to give to the Salvation Army Appeal here in Haliburton County. Give now so that the local objective may be reached.

NOTICE

Notice is hereby given that the Municipal Council of the Municipality of Anson, Hindon and Minden, proposes to pass a by-law closing the original road allowance lying between Lot 14 in Concession 6 and Lot 14 in Concession 7, all in the Township of Minden in the Provisional County of Haliburton, and lying East of the Shore of Horseshoe Lake, and to sell and convey the same to A. A. Shuyler, Q.C., of 320 Bay Street, Toronto, Ontario.

AND further take Notice that the said Municipal Council will on the 26th day of June, 1952, at two o'clock in the afternoon in the Council Chambers of the Village of Minden, hear in person or by his Counsel any person who claims to be prejudicially affected by the passing of such By-law.

Foot and Mouth Disease

Despite the efforts of the Liberal Members they have not yet managed to completely stop the investigations of the Agriculture Committee into the outbreak of his disease in Western Canada. How they have resorted to delaying tactics; after a four day adjournment the off again on again probe reopened when a meeting of the Committee was held on Tuesday. However, it was a rushed, two hour session with proceedings moving at such a fast clip that Opposition members were unable to ask any questions before the meeting was shut down to be reopened at "the call of the chair".

Political Complications

The Liberals gave the CCF Party strong opposition in the last provincial election in Saskatchewan and they have been entertaining high hopes of coming to power again. Then came the foot and mouth outbreak with all the controversy over diagnosis delays and the serious marketing problems which Saskatchewan farmers face. It didn't take Premier Douglas long to size up the situation and he has now called an early June election. It's a safe bet that the CCF Premier and his followers won't lose any time during the next month in attempting to pin the blame for all he farmers' woes on he Federal Liberal Party. Meanwhile, Mr. Gardiner has announced a pasturing and marketing programme for the Province. The Saskatchewan farmer will undoubtedly get lots of attention from all sides for the next few weeks.

Rash in Thefts

Losses in the Armed Forces — already amounting to $7,500,00.00 in tax dollars — are growing with almost daily reports of new cases of shortages reported from all over the country. The full extent of the looting of Canadian taxpayers at Petawawa Camp is not yet known, but should never have occurred. Despite earlier experiences of extensive pilfering at Farnham and other camps, the Government did nothing effective to protect public propery from further ravages such as this.

Adventure in Citizenship

Next week — on Monday, Tuesday, Wednesday and Thursday — the Rotary Club of Ottawa is again sponsoring this project in citizenship. Senior students of secondary schools all across Canada will be their guests and I am looking forward to seeing the boys and girls from my Constituency. I invite them all to call on me at the House of Commons (Room 590) during their stay in Ottawa.

Mr. Walter Noice from the staff of the Haliburton County Echo was a business visitor in this district last week.

Miss Marvel Welch has completed her business course at Baker's Business College, Lindsay and has accepted a position at Peterborough We wish her every success.

Mr. Cecil Morrison is still in Toronto where he is receiving medical care. A speedy recovery is hoped for.

Mr. Ernest Alcock and Mr. Wankil of Toronto spent the week at the Fountain home.

Mr and Mrs Ian Donald spent the week end at their cottage.

Mr and Mrs Douglas Brooks of Toronto visited at Mr. and Mrs. Thos. Welsh's over the week end.

Mrs. Arthur Cooper made a business trip to Oshawa on Friday and fetched Mr. Cooper home for the week end.

A large number of summer folk from Toronto and Hamilton were up and opened their cottage over the week end. All reported finding them in good condition.

Mr. and Mrs. John Redner visited with Mr and Mrs Edwards at Niagara Falls, Ont., last week.

CARNARVON

The W.A. held their monthly meeting at the home of Mrs. Chas. Skelding. The topic was given by Mrs. Worrall followed by a lengthy business meeting.

The Friendly Neighbours met on Thursday evening for it's final meeting which was in the form of a party at the home of Mrs. Russell Packard. A contest was given and Mrs. E. Johnson was the winner and received a teapot for her prize. During the evening Mrs. Ross was presented with a house coat and slippers from her many Canadian friends to take back with her to her home in Scotland we hope it is not too long before her smiling face will be back with us again.

The many friends of the late Mr Wm. Prentice of Minden were saddened to hear of his death and offer their sympathy to his widow and relatives. Quite a few from here attended the funeral on Saturday.

Mr and Mrs Philip Renouf of Toronto spent the week end with Mr and Mrs. Arch McKay.

Mr. Bud Medley spent the week end at his home here owing to the sickness of their son Larry who is recovering from a tonsilectomy. Mrs. Medley was unable to accompany him.

Mr and Mrs Max McKay and Mr and Mrs Francis Thomas were visitors in Gravenhurst on Sundav.

There was quite a number to church on Surday to hear the message given in the sermon by Mr. Ian Fleming of Minden. His many friends in the community wish him good luck on his entering into the ministry. He has a wonderful example to follow in his father who is held in such high esteem.

Mrs. Tamarani and grandson of Hamilton are spending two weeks with Mrs. Amos Miscoe. Mr. Miscoe of Hamilton was home with his family for the week end.

There are more and more cars seen on the highways these days as our summer visitors are coming back to attend to their cottages in anticipation of a happy summer and mothers are becoming more watchful of children on the highways as the traffic becomes heavier.

Mr and Mrs Orville Harrison had as their guests over the week end Mr and Mrs D. McAleer and children of Scarborough.

A Lovely Eve In May

We sit beside the camp fire
This lovely eve in May.
The water gently laps the shore
As daylight fades away.

The long dark shadows stretch across
The shore line of the lake,
And from among the grey blue rocks
A bird calls to its mate.

We watch the shadows lengthening
The moon come up on high.
And one by one the stars appear
Up in the dark, blue sky.

We hear the weird cry of the loon
A hush comes over all.
And in the dying campfire blaze
We see the embers fall.

Thera's naught but peace throughout the land
This lovely eve in May.
God grant that it will still be so
This night and every day.

—Mavis Noice.

Calling All Baseball Players

Haliburton is trying to organize a baseball team for the coming season. Most of the boys are fed up on playing softball and would like to take a crack at baseball. The first few workouts have brought out the younger players but the older players haven't made their appearance on the field. So now the older players are invited out to the workouts at the ball park. If you are interested in playing baseball this season then just get in touch with either Albert Larue or Herb Baker at Haliburton. If you have not played baseball before don't let that scare you. Come up to the ball park and you will receive the proper training to be a good ball player. The club have ordered some equipment to get the ball rolling. A good baseball club in Haliburton should draw good crowds and as time goes on and the club can get into the Tri County loop the ball fans of Haliburton will be in for some good entertainment. It will cost money to operate a baseball club and admission will be taken at the gate. Once again the call is out for baseball players. This is your opportunity to come out and get a real good team. The lack of good pitchers will be the one stumbling block facing the Management of the Haliburton baseball club but this can be overcome with the appearance of a few of the old veterans.

But we must remember that younger pitchers will be brought on to enable the club to have a good mound staff essential to any good club. Rome wasn't built in a day and Haliburton can't expect to have a winning club right off the bat. But as time goes by and more players come in to play ball lookout. Players from all over Haliburton County are invited to take part in the workouts. The best players will make the regular line up.

Rod And Gun Shop Now Open

Mr. Jack Rule who has been employed in Toronto all winter has returned to Haliburton where he will again open up his Rod and Gun Shop. Mr. Rule had the grand opening of his shop on the main street in Haliburton a year ago now. This season he is looking forward to doing business with as many tourist and fishermen as possible. Mr. Rule brought back with him many new baits and equipment for the fishermen. It is well worth your while to drop in and see what Jack has for you this season.

an appeal to All citizens

TO KEEP MAY 24th WEEK-END FREE OF ACCIDENTS

Holiday week-ends bring unusual traffic hazards to Ontario. More drivers and pedestrians use the streets and highways. More miles are travelled. More time is spent out of doors, and thousands of children are released from school. All these factors swell the normal traffic volume and increase the danger of accidents.

I earnestly urge all citizens, and all leaders in community and municipal life, to encourage widespread awareness of the need for safer driving and safer walking.

The traffic accident record can be kept down—*if each of us does his part.*

The Department of Highways is conducting a planned attack on accidents. Let us all work together to keep the approaching holiday period free of accidents.
